

## Roger Bloxham - *The People Photographer*

He may be new to Crowborough but photographer Roger Bloxham is certainly not new to the business of professional photography. His speciality is people photography - from weddings and portraits to event recordings, catalogues and photo restoration. Having worked in the industry for over 20 years, Roger has built a vast portfolio of work.

Whatever your reason for requiring Roger's services, he is more than happy to give you plenty of suggestions but will not take over so you can be assured that you will

get exactly what you want from your session with him.

With such a broad range of expertise I called upon Roger's services to put together a few images that I might be able to use for business purposes, particularly on my social media pages. I wasn't really too sure about what I wanted exactly but the end result was for me to look like a professional business woman (that is what I am after all).

Roger uses his own studio located at Laurel Tree Fruit Farms, just off the A26 at Boars Head, or he can photograph you at any location you choose. I went for the studio

option, and although still under some construction, the studio has a stage, various props, backdrops and other accessories to make pictures more interesting.

I have met Roger a few times previously and he's always been very approachable and friendly. He did make me feel at ease as I was feeling a little nervous as I don't particularly enjoy having my picture taken. I had brought several outfits for the session as I wasn't sure which was going to work the best.

Roger's instructions were easy to follow and several minutes into the session I really did feel myself relaxing and going with the flow. Roger instructed me to try different poses and it did end up being more fun rather than a chore because of nerves.

Over the years Roger has also helped a number of people get started in the modelling industry and has great expertise and experience of knowing what will catch the eye of the agencies. Although he can't guarantee anyone success as a model, he will do his best to help and share his expertise with you.

To find out more about Roger and to view more examples of his work, you can visit his website at [www.rogerbloxham.co.uk](http://www.rogerbloxham.co.uk) or contact him on 01892 662 328 / 07768 172 579 or email him at [enquiries@rogerbloxham.co.uk](mailto:enquiries@rogerbloxham.co.uk).
